Kindergarten Curriculum

Bible

Students are introduced to the remarkable works of God on behalf of his chosen people. The New Testament stories tell of Jesus' life, death, and ascension. There is an emphasis on memory verses and learning worship songs. Art is incorporated into the Bible activities.

Math

The Saxon 1 curriculum is used, and it emphasizes number identification, addition, and subtraction.

Language Arts

The A Beka phonics program is used, and it includes writing skills, reading, and spelling. Emphasis is on the correct formation of letters, proper pronunciation of letter sounds and blends, and reading phonetically. First 100 sight words introduced.

Science

Students learn about the five senses, plants, weather, seasons, animals, beach, ocean, and dental health.

Social Studies

Students learn about our local community helpers and our city, county, state, and country. They will also learn about George Washington, Abraham Lincoln, Thanksgiving, and patriotic songs.

Art

Students discover the elements of art as they work on two dimensional and three dimensional projects.

Physical Education

The physical education program helps students develop their gross motor skills, learn game skills, and sportsmanship.
